

Pre-Verb Pronoun Exercise

Write the Pre-Verb Equivalent

1. E ita o ia.

2. Na fufulu oe

3. O i latou o lo'o va'a'ai

4. Sa alu a'u

5. O i la'ua e feita

6. E fesili atu o i matou

7. Na pepelo o ia

8. Ua faitauina o i la'ua.

9. O i tatou na faia.

10. O lo'o fesoasoani a'u

Pre-Verb pronoun versions of a statement place emphasis on the action rather than the doer/pronoun. After a person is introduced, it is not necessary to use Post-Verb versions of a statement throughout a conversation unless you are wanting to emphasize the person over the action.
